(Continued from Tuesday.)

(Continued from Tuesd

"What instructions did he give you?"
"He—he told me to give Miss Page a sleeping draught that night, and said that when the hospital was quiet he would have his automobile outside and if I would let him in, he won'd carr Miss Page to it, and take her to the other sanatorium. He also asked m if I would take the case, as a privat nurse, and when I said yes, he wrot the name down on a piece of paper for

judge, "that you were ready to throw up your position with Dr. Foster, and allow one of his patients to be stolen from his sanatorium without investigating the truth of the man's state-

"You mean about Mr. Langdon" she stammered. On-1-1 knew that was not true. 1- agreed because of-of a certain plan 1 had in mind.

His Honor sat back with the shruz of one who dismisses the possibility of understanding the other sex as Lang-

"Did Mr. Pollock leave immediately after giving you the address of the new
